Temple Beth Shalom

4th Annual

Premier
Event Showcase

September 15

10am - 12:30pm

Letter from the Editor

I am now the editor of the Temple Beth Shalom newsletter. As you probably are aware, the weekly emails and website have taken on the role of publicizing information about events and programs coming up in the near future. The temple online calendar is updated daily and the website is updated weekly. Information about all our programming can be found online. Therefore, we will be making some changes to future issues of the newsletter.

The newsletter's role will be to showcase pictures of recent events, thanking leaders and participants, recognizing donors, and making current and prospective members aware of the purpose and goals of each temple group.

We will aim to publish the newsletter in the middle of each calendar quarter. I welcome comments and suggestions on the purpose of the newsletter, how much space should be devoted to community events, and other issues that will shape newsletter content. Please send comments and suggestions to newsletter@annapolistemple.org.

Looking for a Donor for a Second Yahrzeit Wall

**Interested in a
dedication opportunity?
Consider donating for a
second yahrzeit wall.**

Our beautiful *yahrzeit* wall is almost full.

It is time for us to create a second *yahrzeit* wall, so we can continue to acknowledge the anniversary of a loved one's passing.

We are looking for a donor interested in dedicating the new wall. This gift will support the Capital Improvement Fund, which serves as a capital reserve for replacement of major building systems and infrastructure. Dedicating a portion of our buildings is a beautiful way to honor an individual or memorialize a loved one. In recognition of your gift, you create a visible and enduring testimonial that will stand as a living tribute.

Dedication opportunities start with a contribution of \$10,000 or more (payable over a multi-year period) and will be recognized on the dedication plaque located to the right of the sanctuary vestibule doors.

Please contact Beth Plavner (bplavner@aol.com) if you are interested in finding out more information about this or other dedication opportunities.

Mishkan Hanefesh, our High Holy Day Prayer Book (Machzor)

The High Holy Days are most certainly a season for change. We change our *Torah* covers from the beautiful design of the year to the simple, pure, and white of the season. We reach deep into ourselves to examine our actions during the year and consider the possibilities for improvement. And yes, communally, we will undergo an enormous change this year as Temple Beth Shalom switches the High Holy Day prayer book (*machzor*) we will use from the familiar *Gates of Repentance* to the new book called *Mishkan Hanefesh*.

Mishkan Hanefesh is the new Reform High Holy Day *machzor*. Reform congregations across America began using it in 2015 and, for the first time, Temple Beth Shalom will be using it this year.

Now, please know that change is never easy. And, I am sure the change of *machzor* will not be easy. As I have been preparing the various services, I have tried to keep things relatively consistent with our past traditions. Still, the readings are all new and the layout is new. It is my hope that you will be patient and understanding with me as we start fresh.

The change will not be easy for you either. There are separate books for *Rosh HaShanah* and *Yom Kippur*. This might be unsettling. Also, like our *Shabbat* prayer book, there are frequent page turns. This might make it difficult to keep up with the service. And, the English passages written in italics, which had been a clear indication for the congregation to read, are also gone. This might cause people to be confused about when and when not to read with me.

And yet, the new *machzor* has so much to offer as well. Our new *machzor* is filled with insights to the prayers and enriching readings that are meant for you to read on your own. In fact, thematic essays are found all through the book. For some this might come as a welcome distraction, while for others it might help to enrich and personalize your High Holy Day experience.

But with all the page turning and distractions, you might be concerned that you will be frequently lost and unable to keep up with the flow of the service. For this we have a solution. We will be placing a tv monitor at the front of the sanctuary, which will tell you what page we are on. You see, with the layout of this book, we would be announcing pages every 60 seconds. It is my hope that the monitor will empower you in your worship.

Shanah Tovah and I look forward to a spiritual and meaningful High Holy Day season together.

Temple President

Michael Rubenstein

michael.rubenstein@verizon.net

As I begin my fourth and final year as president of Temple Beth Shalom, I am pleased to report that last year was the second consecutive year that we finished with a budget surplus. However, as much as I would love to take credit for that accomplishment, the truth is that I deserve only a small piece of that

credit. Throughout my service as president, I have had the good fortune to work with dedicated and talented fellow board members and staff.

Jeff Berger and Jessica Farrar designed our new dues structure, which is simpler and fairer than the old structure while generating sufficient revenue to sustain us. Mara Hedgecoth organized and oversaw our last two galas and vendor showcases, each of which played a major role in our success and community exposure. Missy Levin has revitalized our preschool program. Last year, Rabbi Goldstein and Mary West were responsible

for one of our finest High Holy Day experiences in many years, except that it will likely be surpassed in just a few weeks. Mitch Gordon has brought sophisticated financial management as treasurer. Mark Miller organized our first new member dinners...the list goes on. And through it all, Beth Plavner has kept me focused and Jill Sussman has worked magic to make sure it all comes off seamlessly. Sometimes I wonder if I'm really needed at all.

So it is with great excitement that I am pleased to welcome Susan Turnock and David Durkin to the board for the coming year. They both bring new perspectives and an eagerness to serve, and I can't wait to see how they contribute to the terrific work already underway.

Please join us for the coming High Holy Day services. They promise to be filled with beautiful music, important reflections, and many opportunities to connect with friends old and new. And there might even be something that I can contribute.

Membership Committee

Mark Miller

markamiller75@gmail.com

I hope everyone is having a wonderful summer.

The Membership Committee has a full calendar of events and ideas for the coming year, but of course the most important thing is our members. We appreciate everything all our members do to make Temple Beth Shalom a warm and welcoming home for the Jewish Community in Anne Arundel County, and we especially appreciate everything our existing members do for those who are new members.

In past years we have introduced new members to the congregation by putting their pictures and a few words about them in the temple newsletter. We would like to bring back that tradition. From now on we'll ask each new member's permission to put a picture of them along with a few sentences about them in the upcoming issue of the newsletter. So, look for the introductions and help us welcome the people you see to Temple Beth Shalom.

Have you joined during the period we had gotten away from putting introductions in the temple newsletter? We would love to introduce you, albeit a little late. Drop me a note, I'll ask you for a picture, ask a few questions and, as easy as that, you'll be in the next newsletter. It will be lots of fun, so I encourage you to drop me a note at markamiller75@gmail.com or give me a call at (856) 357-5416.

As I mentioned above, the Membership Committee has a full calendar of fun events planned for the coming year. Would you like to meet fellow members of the congregation, have fun working only a very few hours a month for the temple, and feel the satisfaction of making a difference? Then drop me a note or give me a call. We would love to have you join our committee.

Welcome New Members
Jan Morrison & Chick Rhodehamel

It is time to get back to school! It is time to get back to shul! It is time to put summer behind us and start a brand new year. I am looking forward to the hallways being filled again with the preschoolers and Religious School students.

As many of you know, summer is when we spend a lot of time getting caught up on building maintenance that we avoid doing during the busier parts of the year. We had the carpets cleaned, floors waxed, and the sidewalks and building power washed. We did touch-up painting around the buildings, cleaned the gutters, had our septic system cleaned, and had our fire sprinklers and extinguishers inspected. We had trees trimmed around the property. BGE installed two new lights in the back of the parking lot. If you had not noticed our damaged loading dock door, it has finally been repaired! We fixed a small roof leak in the front of the school building and a leak in one of our classroom doors. We also had two new additions to security technology thanks to a grant we received. (Since this publication is online, I won't provide the details, but teachers and staff will have all the necessary information.)

We also made changes to our staff. Our new part-time Religious School Director is Tracey Greenberg. Cantor Karen Webber, who joined us for some *b'nai mitzvah* services last year, will now have an increased role at the synagogue--leading *Makhela*, working with more of our *b'nai mitzvah* students, leading *b'nai mitzvah* services, and serving as the cantor for our *Shabbat* services twice a month. Ivan, our maintenance person, has resigned due to his very successful handyman business. He could no longer provide us the hours we needed, and we wish him all the best. We have hired Daniel as our new full-time maintenance person. If you see any of these new faces around the building, please make them feel welcome.

We also made a change to our Youth Group programs. We are delighted to announce that Sarah Weissmann will be taking over as the Senior Youth Group Advisor and will also be leading a Youth Leadership *chug* (class) for the Upper School bi-weekly on Wednesday nights.

Hal Katzman will continue to run fantastic Youth Group Programs, focusing on grades 5 to 7. Lastly, we are thrilled that Ali Messenger has volunteered to lead our Junior Youth Group (K-4) with assistance from Matt Josephs. We are so excited to have all these wonderful people leading our youth! It is going to be a wonderful year. We have also added two new Religious School teachers who are fluent in Hebrew, and we are thrilled to have them join the Religious School teaching staff in September.

We also have made changes to the *Shabbat* Service schedule starting in the fall. Please check the temple calendar before heading over to the temple. Family service dates have been scheduled to better match public and private school calendars. We hope this will make it more convenient for families.

We have a lot of upcoming programs. Instead of writing about them here, please look for information inside this issue. As new programs get added to the temple calendar, we will include them in the weekly email and on the temple website. We will also post them to our Facebook page, so please "like" our page. The calendar is updated daily, and the events on the main page of the website are updated weekly, so please check our website for the most up-to-date information. Our service times are always on the temple calendar. In the late fall, we will have a new look to the website, so please keep an eye out for that too.

As you know, Temple Beth Shalom cannot run without your support. If you have not returned your dues renewal form, please do so as soon as possible. If you have lost your form, please contact the temple office at info@annapolistemple.org, so we can email you a new form. If you have a child in our Religious School, please make sure those forms get turned in as well or register online via Chaverweb. Religious School begins September 15th. Parents, please make sure you plan to attend on the first day! At least one parent is expected to attend.

I look forward to seeing you around the temple in the coming year, and I hope you enjoy the rest of your summer.

Early Childhood Programs

Missy Levin

mlevin@annapolistemple.org

Our preschool summer camp program has been a big hit with our 2-6 year olds! We've made garden pots, milked a "cow", put together kites, had lots of fun playing in the rainbow sprinkler, the sand table and all of our outside water tables!

We spend each day teaching, loving and nurturing our preschool children. We are here to help develop their skills, socially and academically, while in a safe and fun learning environment. The following are quotes that sum up what our passion is all about here at TBS Preschool.

"Play is the highest form of research."

– Albert Einstein

"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning." – Mr. Rogers

"They may forget what you said, but they will not forget how you made them feel."

– Maya Angelou

Guest Cantor

We welcome back Cantor Joséé Wolff for the High Holy Days Services. A native of the Netherlands, Cantor Wolff holds a degree in flute from the Royal Conservatory in The Hague. In 1991, she received her Masters Degree in Sacred Music from Hebrew Union College-Jewish Institute of Religion, School of Sacred Music and was the first woman from the European continent to be invested as a cantor. In 2010, Cantor Wolff received her Doctorate of Ministry degree from Hebrew Union College.

Cantor Wolff is an adjunct faculty member at the Debbie Friedman School of Sacred Music, HUC-JIR in New York and a faculty member of the Abraham Geiger Kolleg in Berlin, Germany.

Previously, Cantor Wolff was Director of Cantorial Student Placement at HUC-JIR, and Director of the Department of Synagogue Music of the Union of American Hebrew Congregations. Cantor Wolff has served Reform congregations in the US and Europe for the past 26 years. A past member of the executive board of the American Conference of Cantors, she is a member of the School of Sacred Music Advisory Council and the Joint Cantorial Placement Commission.

Cantor Wolff enjoys leading worship and teaching about synagogue music and worship throughout the Progressive Jewish world. Cantor Wolff has performed at numerous cantorial concerts in the US, South America, Europe, and Israel and was a regularly featured performer at the International Jewish Music Festival in Amsterdam, the Netherlands. We are so excited to have her serve as our cantor for the 5780 High Holy Days.

S'lichot Speaker

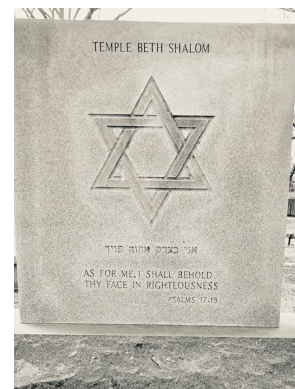

Join us for *S'lichot* on Saturday, September 21, at 7pm. We will be doing something different this year – instead of a movie and discussion of its meaning at this time of year, we will welcome as our guest speaker, J. Ernest Green, music director of the Annapolis Chorale. Ernie will speak on "Music as a Spiritual Gateway" and highlight his talk with music. The service will follow at 9pm, with Cantor Karen Webber and *Nashira*.

New Tradition: Service at Hillcrest

Kaddish at Hillcrest Cemetery on Sunday, October 6, at 12pm.

Many Jews visit the graves of loved ones during the High Holy Days. Temple Beth Shalom recently established a section at Hillcrest Cemetery, and we are adding a new tradition to our observance. We will gather to say *kaddish* for our relatives and to place stones on the graves of temple members who are buried there. This year, we will also include a short dedication for this section. Please join us.

BLOOD DRIVE

Sunday, September 15

See weekly email to sign up to give blood.

Annual High Holy Days Food Drive

Temple Beth Shalom will hold its annual food drive in support of My Brother's Pantry during the High Holy Days. We accept food donations year-round at the designated box in front of the temple office, but at this special time of year, we ask that you remember your less fortunate neighbors and help with additional donations.

When you leave *Rosh HaShanah* services, pick up a donation bag with an attached list of requested donation foods. Canned soup, tuna, stew, fruit, pasta, cereal, rice, and macaroni are always helpful. Do not donate expired foods or opened food packages. A truck will be parked in front of the temple on *Yom Kippur* to accept your donations, or you can leave your bag of donated food at the temple any time between the holidays.

If you can assist with the food drive, we would love the help! We will need people to:

- prepare donation bags,
- pass out donation bags for both the *erev Rosh HaShanah* service (September 29) and *Rosh HaShanah* morning service (September 30),
- accept donations and load them into the truck before the *Kol Nidrei* service (October 8) and before the *Yom Kippur* morning service (October 9),
- unload the food donations at the pantry after the holidays.

Children ages 8-12 are welcome with an adult to supervise, and teens are welcome on their own. Some jobs need people who can lift and stack grocery bags, and other jobs require no heavy lifting.

Thanks as always for your help and support. Remember that we welcome your donations of food year-round at our donation box outside the temple office.

Please contact Jodi Meisenberg (jodimeisenberg@aol.com), if you need more information.

Well ... the truth is out. I did celebrate my latest birthday on July 4th, 2019. I don't wish to say that I am old ... but, do you know those websites you go to that ask for your birthdate? And you have to scroll down to get to your birth year? Well, I developed a mild case of carpal tunnel syndrome from that.

Which definitely brings us to our hot topic of the day. Yes, it is all about the ancient Philistines! I was recently browsing on various informational sites, and I came across this article about the Philistines.

The Philistines were an ancient people who lived on the south coast of Canaan between the 12th century BCE and 604 BCE when they were exiled to Mesopotamia by King Nebuchadnezzar II. They are known for their biblical conflict with the Israelites. The primary source of information about the Philistines is the Hebrew Bible, but they are first attested to in reliefs at the Temple of Ramses ... with connections to Crete, Turkey and other Aegean sites.

Rosh Chodesh is open to all women in the Jewish community. Please email Lesley Harris if you know of other women who would like to join *Rosh Chodesh*.

Would you like more information about *Rosh Chodesh*? Contact Lesley Harris, lesleyellenharris@me.com.

However, with some late breaking scientific news, we have a new finding, developed by Daniel Estrin, an NPR commentator and heard "All Things Considered." Thus, when David slew Goliath with his well-aimed stone, was all this taking place outside Paris? Doubtful, yet I bet we could find the answer to that, if David used a credit card to buy his rock, and we could then trace the Point of Purchase, especially if the ATM required a zip code.

Thus, what is my chief point of all this and why am I writing this article? Correct: Please always support our TBS Men's Club in all ways that you can in the coming year!!!

Time flies when you are having fun. 5779 was a great year and we are looking forward to 5780 to be even better. We hope you can join us and participate at our various programs.

This year our Sisterhood enjoyed many educational, cultural and fun programs: a beautiful *Leil Seder*, an amazing party celebrating Israel's Independence Day, and a very meaningful Sisterhood *Shabbat* service. The Sisterhood book club and mahjongg continue to meet and have fun on a regular basis.

Sisterhood is an integral part of Temple Beth Shalom. We pride ourselves in our growing community of women helping to support our temple and our families in numerous ways such as making direct donations to TBS or giving gifts from Sisterhood's Judaica shop to our *b'nai* and *b'not mitzvah*.

We embrace all members of Sisterhood, to be an organization where women of all ages can contribute and participate at whatever level they are comfortable: \$36 annual dues for temple members, \$41 annual dues for non-temple member or \$54 annual Miriam membership. We appreciate and welcome your support. Know that a group of dynamic, warm, and inspired women awaits your help and participation.

Wishing you all *Shanah Tovah* and may the year ahead be full of abundance and prosperity!

B'nai Mitzvah Profiles for August - October

Jacob Altman

Jacob Altman has been a part of Temple Beth Shalom for 11 years, starting with the 2s program. Jacob is a rising 7th grader in the STEM program at Lindale Middle School. In Jake's free time he enjoys playing soccer for Pasadena Soccer, spending time with his friends, and helping foster dogs through different rescues and spending time with his family. Jake will contribute a portion of his *bar mitzvah* money to Homeward Trails Adoption Center. Jacob looks forward to continuing his religious education by attending TBS as a 7th grader.

Avery Landis

Avery has attended Religious School at Temple Beth Shalom since kindergarten. He has made a great group of friends that not only enjoy being in class together but also getting together outside of Religious School. Avery will start 8th grade at Severna Park Middle School in September. He loves sports, especially football. He has participated over the years in flag football, soccer, basketball, tennis, baseball and cross-fit. When he is not playing sports or video games you might find Avery sitting behind his drum kit playing with his band AC/DB.

For his *mitzvah* project Avery will raise money for the Alzheimer's Association by participating in the Walk to End Alzheimer's in Annapolis on October 20, 2019. <http://act.alz.org/goto/TeamLandis>.

Shayna Cheng

Shayna attended the *Aleph Bet* Jewish Day School throughout elementary school. After graduating from ABJDS, Shayna joined Temple Beth Shalom Religious School and began attending the Performing Visual Arts Program at Bates Middle School in the dance program. When she isn't dancing and maintaining principal's honor roll in school, she enjoys participating in musical theater and competitive gymnastics.

This summer Shayna was excited to attend Capital Camps for her first Jewish sleepaway camp experience. She enjoyed the special opportunity to make new friendships and create lasting memories in a Jewish community, just as she has done with her classmates at TBS the last few years. Shayna hopes she can travel to Israel in the near future and plans to continue participating in the youth group at TBS for many years to come.

Lena Biran

Lena Biran has been a student at Temple Beth Shalom's Religious School since kindergarten and is a long-time member of *makhela*. Lena attends Severna Park Middle School. She started playing cello in second grade and plays in both her school orchestra, where she received the Director's Award this past year, and the Baltimore Symphony Youth Orchestra's String Orchestra Division. Lena also dances at the Dance Academy and with the Chesapeake Ballet Company. Lena enjoys spending time with her friends at the pool, listening to music, and playing with Duncan, her Bernese mountain dog. Building on her love of dogs, Lena plans to donate a portion of her *bat mitzvah* gifts to BARCS (Baltimore Animal Rescue and Care Shelter).

Remember When The Word "Service" Meant Something?

We remember when people took the time to serve others. Our family has been helping families here for many years. As our town has grown, we have grown too, with more specialized services, such as out-of-town arrangements, pre-arrangements, cremations and a grief recovery program.

Even though we have grown, our dedication to service is still the same as it was years ago. And, we think that's really something.
